1. INTRODUCTION

On 15 May 2025, we obtained a mandate from you in respect of, amongst others, the RRPTs set out in Appendix I of this Circular.

In accordance with the Listing Requirements, the mandate referred to above shall lapse at the conclusion of our forthcoming AGM, unless authority for its renewal is obtained from you at our forthcoming AGM.

Accordingly, on 10 April 2026, our Company announced to Bursa Securities that we intend to seek your approval for the Proposed Mandate at our forthcoming AGM.

The purpose of this Circular is to provide you with details of the Proposed Mandate and to seek your approval for the ordinary resolutions in connection with the Proposed Mandate to be tabled at our forthcoming AGM. The ordinary resolutions in respect of the Proposed Mandate are enclosed in Appendix V of this Circular for your reference.

The Notice of the 17th AGM, Integrated Annual Report 2025, this Circular, Proxy Form and Administrative Details have been published on Maxis' website on 16 April 2026 and can be downloaded from this link https://maxis.listedcompany.com/general_meetings.html.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE RESOLUTIONS PERTAINING TO THE PROPOSED MANDATE TO BE TABLED AT OUR FORTHCOMING AGM.

2. BACKGROUND INFORMATION IN RESPECT OF THE PROPOSED MANDATE

Paragraph 10.09 of the Listing Requirements provides that a listed issuer may seek its shareholders' mandate for related party transactions which are recurrent, of a revenue or trading nature and which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year (based on the type of transactions, names of related parties involved in each type of transaction made and their relationship with the listed issuer), where the aggregated value is equal to or more than the following thresholds in relation to a listed issuer with an issued and paid-up share capital of RM60 million and above:
 - (i) the consideration, value of the assets, capital outlay or costs of the aggregated transactions is RM1 million or more; or
 - (ii) the percentage ratio of such aggregated transactions is 1% or more,whichever is the higher;
- (c) in a meeting to obtain shareholders' mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (d) the listed issuer immediately announces to Bursa Securities when the actual value of an RRPT entered into by the listed issuer exceeds the estimated value of such RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholders' mandate pursuant to Paragraph 10.09(2) of the Listing Requirements, the provisions of Paragraph 10.08 of the Listing Requirements will not apply.

3. DETAILS OF THE PROPOSED MANDATE

3.1 Terms of RRPTs

The RRPTs under the Proposed Mandate have been or will be entered into (as the case may be) on normal commercial terms, in the best interests of our Group, on terms that are not more favourable to our Related Parties than those generally available to the public and will not be detrimental to our non-interested shareholders.

3.2 The Related Parties to which the Proposed Mandate is applicable

The Proposed Mandate will be applicable to those Related Parties comprising our Directors, Major Shareholders and Persons Connected with them, who are more particularly described in Section 7 and Appendices I and II of this Circular.

3.3 Categories of RRPTs

Our principal activity is that of investment holding whilst the principal activities of our Group are to offer a full suite of converged telecommunications, digital and related services and solutions, and corporate support and services functions for our Group.

The categories of RRPTs (applying the criteria under Chapter 10 of the Listing Requirements) under the Proposed Mandate relate principally to the sale and purchase of telecommunications related services, rental of assets/premises and its related services/charges and promotional and marketing activities in the ordinary course of business of the members of our Group, details of which are as follows:

(a) Rental of assets/premises and its related charges/services

The RRPTs that may or will be entered into with the relevant Transacting Parties under this category include, without limitation:

- the lease of transponders and satellite bandwidth;
- the rental of BTS sites;
- the rental of other premises for operations, briefings and promotions; and
- the payment of other service charges for the rented premises.

(b) Interconnect and roaming partner revenue and expenses to the Group

The RRPTs that may or will be entered into with the relevant Transacting Parties under this category include, without limitation, the roaming and interconnect settlements for the inter-operator traffic routed between the parties.

(c) Service activities

The RRPTs that may or will be entered into with the relevant Transacting Parties under this category include, without limitation, the provision of call handling and other telemarketing services, contents, services for business and corporate management services.

(d) Promotional and marketing activities

The RRPTs that may or will be entered into with the relevant Transacting Parties under this category relate to promotional and marketing activities, subsidising movie tickets and strategic partnerships for co-marketing and/or distribution of content products together with Maxis connectivity and/or carrier billing capabilities.

3.4 Nature of the RRPTs

Details of the RRPTs for which the Proposed Mandate is being sought, as well as the Transacting Parties, the interested Related Parties and the nature of their relationships with our Group, are set out in Appendix I of this Circular.

RRPTs that do not fall within the ambit of the Proposed Mandate will be subject to other applicable provisions of the Listing Requirements, the Act and/or any applicable law.

3.5 Amounts due and owing to our Group by related parties pursuant to RRPT

There is no amount due and owing to our Group by related parties pursuant to RRPT, which has exceeded the credit term as at 31 December 2025.

3.6 Basis of estimated value of RRPTs

The estimated transaction values of the RRPTs, for which the Proposed Mandate is being sought, as set out in Appendix I of this Circular are based on estimated prevailing prices which are or will be formalised in agreements/contracts to be entered into by relevant members of our Group with the Transacting Parties based on our Group's usual levels of transaction and on the projected business volume from the date of our forthcoming AGM to our next AGM. The actual value of transactions may, however, vary from the estimated value disclosed in Appendix I of this Circular, if there should be any changes in the business, economic and/or competitive environment.

Nevertheless, if the Proposed Mandate is approved, disclosure will be made in accordance with the Listing Requirements in the Integrated Annual Report of our Company for the financial year ending 31 December 2026 of the aggregate value of transactions conducted pursuant to the Proposed Mandate as approved during the financial year.

3.7 Benefits to our Group

The supply of telecommunications and other services disclosed in Appendix I of this Circular is to be provided by the relevant members of our Group in their ordinary course of business, and on our Group's normal commercial terms and on terms which will be no more favourable to the Transacting Parties than those generally available to the public. These transactions are beneficial to our Group as they represent an additional source of income for our Group.

The services, which include content, the rental of premises/assets (including transponders) and the promotional and marketing activities to be received by relevant members of our Group from the Transacting Parties, are as set out in Appendix I of this Circular. Further, the services to be received by our Group, as set out in Appendix I of this Circular, will enhance and augment the services provided to our Group's subscribers and thereby contribute to the generation of revenue for our Group. In addition, our operations are efficiently managed through the utilisation of our Related Parties' expertise and resources.

The Board is of the view that the close working relationships and co-operation with the Transacting Parties will allow our Group to be more competitive in the provision of integrated telecommunications services and solutions.

3.8 Review procedures for the RRPTs

Our Group has established the following procedures, guidelines and internal controls to ensure that RRPTs have been or will be entered into on normal commercial terms and on terms which are not or will not be more favourable to the Transacting Parties than those generally available to unrelated third parties and are not or will not be to the detriment of our Company's non-interested shareholders:

- (a) To support and supplement the internal control systems, our Group has adopted the following additional review and approval procedures for RRPTs which are within the Proposed Mandate:
 - (i) Individual RRPTs below RM60 million each in value will be reviewed and approved in accordance with our Group's Manual of Limits of Authority ("**LOA**") with limits of approval levels varying with the value and nature of the transactions;
 - (ii) Individual RRPTs exceeding RM60 million each in value will be reviewed and considered by the Audit and Risk Committee and thereafter, if the Audit and Risk Committee shall deem fit, will be recommended to the Board for approval;
 - (iii) Variations to the terms and conditions of the individual RRPTs will be reviewed and approved in accordance with our Group's LOA; and
 - (iv) A quarterly report on all RRPTs transacted in that quarter will be produced to the Audit and Risk Committee for its reference;
- (b) All operating divisions and our subsidiaries are required to review their existing information systems on an on-going basis to ensure that features are incorporated into the systems for capturing information on RRPTs at source;
- (c) Information on Related Parties and review procedures applicable to all RRPTs which involve the interest, direct or indirect, of such Related Parties have been disseminated to all operating divisions and our subsidiaries and will continue to be disseminated from time to time, for their reference in ensuring that all transactions with such Related Parties are undertaken on normal commercial terms which are not or will not be more favourable to the Related Parties than those generally available to the public;

(The rest of this page has been intentionally left blank)

- (d) RRPTs will only be undertaken by our Company and subsidiaries after our Company or the relevant subsidiaries has ascertained that the transaction prices, terms and conditions, quality of products/services will be comparable with those prevailing in the market and will meet industry standards. The transaction prices will be based on the prevailing market rates/prices of the service or product and will allow for the usual margin given to or given by any unrelated third parties or will otherwise accord with the normal commercial terms and applicable industry norms. The interests of non-interested shareholders will also be taken into account when entering into RRPTs to ensure that their rights and interests are upheld;
- (e) All RRPTs to be entered into shall be on normal commercial terms and on terms that will be consistent with our Group's usual business practices and policies;
- (f) In the event that a member of the Audit and Risk Committee or Board has an interest and/or deemed interest in any particular RRPT, he or she shall declare his or her interest in the RRPT and will have to refrain from any deliberation and also abstain from voting on the matter at the Audit and Risk Committee meeting or Board meeting in respect of that RRPT;
- (g) Proper records shall be maintained to record all RRPTs entered or to be entered into pursuant to the Proposed Mandate to ensure accurate disclosure thereof. In accordance with Paragraph 10.09(2)(b) of the Listing Requirements, the aggregate value of the RRPTs transacted pursuant to the Proposed Mandate during the financial year shall be disclosed in the integrated annual report of our Company where the aggregated value is equal to or more than the following thresholds:
 - (i) the consideration, value of the assets, capital outlay or costs of the aggregated RRPTs is RM1 million or more; or
 - (ii) the percentage ratio of such aggregated RRPTs is 1% or more;

whichever is the higher.

Such disclosures will include the type of RRPTs entered into and the names of the Related Parties involved in each type of RRPT entered into and their relationships with our Group. When the aggregated actual value of the RRPTs entered into with parties within the same related party group exceeds the aggregated estimated value of such RRPTs as disclosed in this Circular by 10% or more, our Company will make an immediate announcement, which will include the information as may be prescribed, to Bursa Securities;

- (h) Periodical review of the relevant RRPTs and the existing procedures in relation to related party transactions shall be carried out by the Audit and Risk Committee to ascertain that they have been complied with in accordance with the Proposed Mandate;
- (i) At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be based on prevailing market rates or prices that are agreed upon under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms in order to ensure that the RRPT is not detrimental to our Company or our Group; and

- (j) If the Audit and Risk Committee is of the view that the abovementioned procedures are insufficient to ensure that RRPTs are undertaken on normal commercial terms and on terms that are not more favourable to the Transacting Party than those generally available to unrelated third parties during their periodic review of the procedures, the Audit and Risk Committee has the discretion to request for additional procedures to be imposed on all RRPTs.

It is our Group's policy to ensure that all of our transactions regardless of whether they are RRPTs or not, must comply with our Group's Procurement Policy and Standards ("**PPS**") and the LOA. The purpose of the PPS and LOA is to ensure that all transactions are carried out in the best interests of our Group.

The LOA sets out the levels of authority and guides internal management in their control over our Group's capital and operating expenditure. The purpose of the PPS is to ensure that competitive bidding principles and transparent procedures are observed in the procurement of goods and services.

Our Group's Code of Business Practice lays down the policy that all our Group's Directors and employees must act in good faith and without any conflict of interests ("**COI**") at all times and must act in the best interests of our Group. COI will be reviewed by the Audit and Risk Committee in accordance with its Terms of Reference. Maxis' Policy on Directors' and Key Senior Management's Conflicts of Interest sets out the processes and procedures and the associated mitigating measures for dealing with COI. The Maxis Group's Anti-Bribery and Corruption Policy adopts a zero-tolerance approach against bribery and corruption and is applicable to all employees and third parties including Transacting Parties.

3.9 Statement by Audit and Risk Committee

The Audit and Risk Committee is of the view that the review procedures and processes for the RRPTs as set out in Section 3.8 above are:

- (a) adequate and sufficient to monitor, track and identify RRPTs in a timely and orderly manner and, if necessary, may request internal assurance to review these systems and procedures; and
- (b) sufficient to ensure that the RRPTs will be entered into on normal commercial terms and on terms which will not be more favourable to the Transacting Parties than those generally available to unrelated third parties and will not be to the detriment of our Company's non-interested shareholders.

All reviews by the Audit and Risk Committee will be reported to the Board for its further action.

3.10 Disclosure of RRPTs

If the Proposed Mandate is approved, disclosure will be made in the integrated annual report of our Company of, among others, the aggregate value of RRPTs conducted pursuant to the Proposed Mandate during the financial year where:

- (a) the consideration, value of the assets, capital outlay or costs of the aggregated RRPTs is RM1 million or more; or
- (b) the percentage ratio of such aggregated RRPTs is 1% or more,

whichever is the higher.

In making the aforementioned disclosure in the integrated annual report of our Company, we shall include a breakdown of the aggregate value of the RRPTs based on the type of transactions, the names of the Related Parties involved and their relationships with our Group.

Disclosure will also be made in our integrated annual report for each of the subsequent financial years during which the Proposed Mandate shall remain in force. When the aggregated actual value of the RRPTs entered into with parties within the same related party group exceeds the aggregated estimated value of such RRPTs as disclosed in this Circular by 10% or more, our Company will make an immediate announcement, which will include the prescribed information, to Bursa Securities.

(The rest of this page has been intentionally left blank)

3.11 Validity period of the Proposed Mandate

The Proposed Mandate, if approved at our forthcoming 17th AGM, shall take effect from the date of the passing of the ordinary resolutions proposed at our AGM to approve the Proposed Mandate and is subject to annual renewal. In this respect, the authority conferred by the Proposed Mandate shall only continue to be in force until:

- (a) the conclusion of our next AGM following the forthcoming 17th AGM at which the Proposed Mandate is approved, at which time it will lapse, unless by a resolution passed at such general meeting, the authority is renewed; or
- (b) the expiration of the period within which our next AGM after that date is required to be held pursuant to Section 340(2) of the Act (excluding however, such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) the Proposed Mandate is revoked or varied by resolution passed by you in a general meeting,

whichever is the earliest.

Thereafter, your approval will be sought for the renewal of the Proposed Mandate at each subsequent AGM or at a meeting of members that may be held on the same day as the AGM, subject to a satisfactory review by the Audit and Risk Committee.

4. RATIONALE FOR THE PROPOSED MANDATE

The Proposed Mandate, subject to annual review, will enable members of our Group to carry out RRPTs necessary for their day-to-day operations and will eliminate the need to frequently make announcements to Bursa Securities, convene separate general meetings and/or seek your approval from time to time as and when RRPTs which are comprised within the Proposed Mandate shall arise. In this respect, the Proposed Mandate is intended to save administrative time and expenses which could be better utilised by our Group to pursue its corporate objectives and realise business opportunities in a more timely and effective way.

5. EFFECTS OF THE PROPOSED MANDATE

The Proposed Mandate is not expected to have any effect on our issued share capital and our Major Shareholders' shareholdings in our Company and is not expected to have any material effect on the earnings, net assets and gearing of our Group.

However, the Proposed Mandate is in relation to transactions which are of a revenue or trading nature and which form an integral part of our Group's day-to-day operations and hence, they contribute to our financial performance.

6. APPROVAL REQUIRED

The Proposed Mandate is subject to your approval being obtained at our forthcoming 17th AGM.

7. INTERESTS OF DIRECTORS AND MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED WITH THEM

Details of the direct and indirect shareholdings of our interested Directors, interested Major Shareholders and interested Persons Connected with them in relation to the Proposed Mandate are set out in Appendix II of this Circular.
