

# **MAXIS BERHAD**

## **MAXIS CEO TO RELINQUISH POSITION**

### **MEDIA RELEASE**

**For immediate release**

**Kuala Lumpur, 19 March 2013**

Following the announcement made on 21 December 2012, Maxis Berhad (Maxis) would like to inform that Sandip Das, current Chief Executive Officer (CEO) of Maxis whose tenure as CEO ends on 30 June 2013, has requested for an early release from office. The Board has agreed to Sandip's request, and accordingly he will relinquish his position as CEO and as a Director of Maxis, with effect from 15 April 2013.

Pending Johan Dannelind's commencement of office on 1 July 2013 as Maxis' new CEO, a committee comprising Chief Financial Officer Nasution Mohamed; the Joint Chief Operating Officers, Suren J Amarasekera and Mark Dioguardi, will act collectively under the guidance and direction of, and reporting to, the Chairman, Raja Tan Sri Dato' Seri Arshad bin Raja Tun Uda. This is to ensure effective decision making and continuity of operations in the intervening period.

The Board would like to reiterate its thanks to Sandip for his valuable contributions to the Company over the last 6 years, and would like to wish him all the best in his future endeavours.

"I wish to thank the Board and employees of Maxis for their support. It has been my privilege to work with a remarkable team, and I wish the Board, Management and staff the very best for the future," Sandip Das said.

- END -

## **About Maxis Berhad**

Maxis Berhad is Malaysia's leading integrated communications service provider with RM8.9 billion revenue in 2012 and more than 14 million subscribers. As one of Malaysia's most admired home-grown brands, Maxis has evolved from being a premier mobile operator to one that offers an extensive suite of services to enrich its customers' lives whether at home, at work or on-the-go: mobile and fixed voice, messaging, mobile internet, wireless and wired high speed broadband, and multi-screen content and applications - be it entertainment, education, security or cloud computing - through mobile, fixed and satellite networks. Maxis was the first to commercialize 3G mobile services in Malaysia and has the largest mobile network footprint with 95% 2G and 82% high-speed 3G coverage across the country.

Maxis' efforts in innovation, excellent customer service and providing value to stakeholders have earned the Company numerous awards including Top 5 Best Global Operator Award by World Communication Awards in 2010 and Best Managed Company, Asia's Best Employer, Putra Brand of the Year Awards in 2011 and a 20 awards for call centre excellence at the 13th CCAM Excellence Awards. Committed to contributing to the communities it operates in, Maxis' Corporate Responsibility efforts focus on making a 'Positive Impact', harnessing leading-edge technology to create value for the economy, society and the environment.
