

MAXIS BERHAD

MAXIS BERHAD ANNOUNCES LEADERSHIP CHANGE

MEDIA RELEASE

For immediate release

Kuala Lumpur, 29 May 2013

Following the announcement made on 21 December 2012 of the appointment of Mr. Johan Dannelind as its new Chief Executive Officer (CEO) with effect from 1 July 2013, Maxis Berhad (Maxis) would like to inform that, owing to recent personal family circumstances which have made it necessary for him to reside closer to family in Sweden, Johan has indicated he is unable to assume the role of CEO.

The Board, having carefully considered Johan's situation, agreed that it is in the best interest of the Company to release him from his contract.

Consequent to this, the Board is pleased to announce that Nasution Mohammed, Chief Financial Officer has been appointed Joint Chief Operating Officer (COO) with effect from 1 June 2013 and together with the current Joint COO, Suren J. Amarasekera will provide overall leadership to the company and be responsible for its performance. The Joint Chief Operating Officers will report to the Chairman. Nasution will continue to oversee the Finance function.

Mark Dioguardi, whose employment contract expires on 30 June 2013 will relinquish his position as Joint Chief Operating Officer on 31 May 2013.

The Board will continue with its search for a CEO. It is intended that this candidate will be capable of further strengthening the Company's management team and of mentoring and grooming a suitable successor.

"Suren and Nasution will together lead the Company forward, refining our structure to better respond to changing customer demands and spearheading our plans to harness our in-house talent. The Board is confident that they will be highly effective in delivering on these roles," said Raja Tan Sri Dato' Seri Arshad bin Raja Tun Uda, Chairman of Maxis Berhad.

- END -

About Maxis Berhad

Maxis Berhad is Malaysia's leading integrated communications service provider with RM8.9 billion revenue in 2012 and more than 14 million subscribers. As one of Malaysia's most admired home-grown brands, Maxis has evolved from being a premier mobile operator to one that offers an extensive suite of services to enrich its customers' lives whether at home, at work or on-the-go: mobile and fixed voice, messaging, mobile internet, wireless and wired high speed broadband, and multi-screen content and applications - be it entertainment, education, security or cloud computing - through mobile, fixed and satellite networks. Maxis was the first to commercialize 3G mobile services in Malaysia and has the largest mobile network footprint with 95% 2G and 82% high-speed 3G coverage across the country.

Maxis' efforts in innovation, excellent customer service and providing value to stakeholders have earned the Company numerous awards including Top 5 Best Global Operator Award by World Communication Awards in 2010 and Best Managed Company, Asia's Best Employer, Putra Brand of the Year Awards in 2011 and a 20 awards for call centre excellence at the 13th CCAM Excellence Awards. Committed to contributing to the communities it operates in, Maxis' Corporate Responsibility efforts focus on making a 'Positive Impact', harnessing leading-edge technology to create value for the economy, society and the environment.
